

### Measurements for Todlers Clothes(Girls & Boys)

#### IN CMs

Size	Age Group(years)	Height	Chest	Waist	Hip
1	1-2	79	51	51	52
2	2-3	86	53	52	54
3	3-4	94	56	53	57
4	4-5	102	58	54	59

### Choosing Size

To determine the correct size for your toddler/child take the measurements for height, chest, waist and hip.

It is best to choose the size by comparing child's height to the height on the toddlers/children size chart. Choose the size that is closest to your toddler's/child's height, then compare chest, waist and hip measurements. If it falls in between size, select the larger size.
